

**PULMONOLOGY/SLEEP MEDICINE**  
**PHYSICIAN ASSISTANT OR NURSE PRACTITIONER**

Chest Medicine Associates and the Maine Sleep Center at CMA seek an experienced Nurse Practitioner (NP) or Physician Assistant (PA) to join our team in the expansion of our outpatient sleep medicine and pulmonology practice.

Chest Medicine Associates is a well-established practice group in South Portland, Maine, that has provided regional expertise in sleep medicine, pulmonology, medical and neurological critical care for over thirty years. The Maine Sleep Center at CMA is an AASM-accredited facility that strives to provide comprehensive and exceptional quality care in sleep medicine. Our practice environment is intellectually stimulating, collegial, organized, and supportive.

Portland, Maine has been ranked No.1 on Travel and Leisure magazine's "10 Best Places to Live on the East Coast" and No. 1 on US News and World Report's "The 25 Best Places to Live on the East Coast in 2023-2024." Enjoy all that life has to offer along the coast of southern Maine. The region is well-known for its excellent school systems, lifestyle, arts, exceptional culinary experiences, and abundant four-season recreational opportunities in the nearby ocean, lakes, trails, and mountains.

This position is full-time, 4.5 days, with no night or weekend responsibilities. We offer competitive compensation, a relocation allowance, and a comprehensive benefit package. Experience in office-based pulmonology, sleep medicine, and/or neurology is preferred.
