

THE MAINE SLEEP CENTER AT CHEST MEDICINE ASSOCIATES

Breathe Well • Sleep Well • Live Well

SLEEP MEDICINE PHYSICIAN

The Maine Sleep Center at Chest Medicine Associates seeks a physician fellowship-trained in sleep medicine to expand our multi-disciplinary sleep medicine services.

Chest Medicine Associates is a well-established practice group in South Portland, Maine. We have provided regional expertise in sleep medicine, pulmonology, medical and neurological critical care for over thirty years. The Maine Sleep Center at CMA is an AASM-accredited facility that strives to provide comprehensive and exceptional quality care in sleep medicine, including behavioral sleep medicine services provided by an experienced sleep psychologist. We also provide outreach services regionally to our partner organizations. Our practice environment is intellectually stimulating, collegial, organized, and supportive. Dedicated time for reading studies is provided.

Portland, Maine has been ranked No.1 on Travel and Leisure magazine's "10 Best Places to Live on the East Coast" and No. 1 on US News and World Report's "The 25 Best Places to Live on the East Coast in 2023-2024." Enjoy all that life has to offer along the coast of southern Maine. The region is well-known for its excellent school systems, lifestyle, arts, exceptional culinary experiences, and abundant four-season recreational opportunities in the nearby ocean, lakes, trails, and mountains.

This position offers competitive compensation and comprehensive benefits. Inquiries by candidates with neurology or pulmonology backgrounds are encouraged. An interest in a combined sleep medicine and neurology or pulmonology practice is desirable but not required. Fellowship training and board certification/eligibility in sleep medicine are required.
