

THE MAINE SLEEP CENTER AT CHEST MEDICINE ASSOCIATES

Breathe Well • Sleep Well • Live Well

SLEEP MEDICINE PHYSICIAN

The Maine Sleep Center at Chest Medicine Associates seeks a physician fellowship-trained in sleep medicine to expand our multi-disciplinary sleep medicine services.

Chest Medicine Associates is a well-established, private practice organization in S. Portland, Maine. We have provided regional expertise in sleep medicine, pulmonology, medical and neurological critical care for more than thirty years. We also provide outreach services regionally to our partner facilities. The Maine Sleep Center at CMA is an AASM-accredited facility that provides comprehensive sleep medicine care including behavioral sleep medicine services.

Sleep physician responsibilities include comprehensive patient care, sleep test interpretation, and collaboration with advanced practice providers. Our practice environment is intellectually stimulating, collegial, organized, and supportive.

Enjoy all that life has to offer along Maine's southern coastline. Portland, Maine has been ranked in the top 10 "Best Places to Live" in the USA according to US News & World Report. The region is well-known for its excellent school systems, safe communities, lifestyle, arts, exceptional culinary experiences, and abundant four season recreational opportunities in the nearby ocean, lakes, trails, and mountains.

Candidates with neurology or otolaryngology backgrounds are encouraged to inquire. The position is 100% outpatient, although inpatient opportunities may be available if desired. Physician call for the sleep labs is shared. Fellowship training and board certification/eligibility in sleep medicine are required.
