

## **THE MAINE SLEEP CENTER AT CHEST MEDICINE ASSOCIATES**

Breathe Well • Sleep Well • Live Well

### **SLEEP MEDICINE PHYSICIAN**

The Maine Sleep Center at Chest Medicine Associates is an AASM-accredited facility providing comprehensive sleep medicine care, including behavioral sleep medicine services. For over thirty years, our well-established, respected, and progressive private practice group in Portland, Maine has provided regional expertise in sleep medicine, pulmonology, medical and neurological critical care.

We seek a physician fellowship-trained in sleep medicine to expand our sleep medicine services. In addition to our primary sleep practice, our physicians provide services regionally for our partner facilities. We offer an organized, efficient, intellectually stimulating, collegial, and supportive practice environment with opportunity for individual professional development.

Enjoy all that life has to offer along Maine's southern coastline. Portland, Maine has been ranked in the top 10 of the 2021-2022 "Best Places to Live" in the USA according to US News & World Report. The region is well-known for its excellent school systems, safe communities, lifestyle, arts, exceptional culinary experiences, and abundant four season recreational opportunities in the nearby ocean, lakes, trails, and mountains.

Fellowship training and board certification/eligibility in sleep medicine is required. Candidates with non-pulmonary backgrounds are encouraged to inquire.

EOE.
